WORK EXPERIENCE

Project Manager

2023 - Present

Cubicus.io | Karachi

Accomplished Project Manager at Cubicus.io, adept at leading cross-functional teams for on-time, within-budget project delivery. Known for clear stakeholder communication, risk mitigation, and process optimization, I consistently enhance project efficiency and client satisfaction. A strategic thinker committed to innovation and continuous improvement, offering a valuable skill set for achieving excellence in project execution

Full stack developer

2023 - Present

Cubicus.io | Karachi

Adaptable Full Stack Developer at Cubicus.io, proficient across the entire tech stack. I excel in crafting user-friendly interfaces, implementing robust server-side logic, and optimizing performance for scalable solutions. My collaborative approach ensures high-quality product delivery, meeting both client expectations and industry standards. A forward-thinking developer, committed to staying current with emerging technologies for impactful contributions to ambitious projects.

Frontend Developer

2019 - 2020

SenseFlow Pvt Ltd | Karachi

Adaptable Frontend Developer at SenseFlow Pvt, skilled in the full tech stack. From creating visually appealing interfaces to seamless backend integration, I've delivered high-quality, user-centric web applications. My versatility ensures efficiency across the entire development process, and my commitment to staying updated guarantees a creative and technically proficient contribution to any project.

Freelancer as developer & designer

2013 - Present

Fiverr, Upwork & Freelancer

Adaptable Freelancer skilled in both development and design on Fiverr, Upwork, and Freelancer. Proficient across diverse tech stacks and design tools, I deliver tailored solutions that meet client expectations. With a proven track record and a creative touch, I seamlessly integrate development and design for optimal results.
